WHY CHOOSE POLY LUMBER?

Furniture constructed with poly lumber has many features:

- Poly is a dense material that is strong and long lasting
- The color goes all the way through the material (not a coating)
- The color is UV stabilized to resist fading
- Stainless steel fasteners and aluminum bracing are used to resist corrosion
- An environmentally friendly recycled product, made in the USA

BENEFITS:

- VIRTUALLY NO MAINTENANCE
- NO CRACKING or SPLITTING
- FADE and RUST RESISTANT
- WITHSTANDS HOT/COLD CLIMATES
- BUILT TO LAST A LIFETIME
